Call Center CRM SEP 2021

As UX / UI Product Designer, I made a redesign of the interface to suit the user and make it easier for him to work. I studied the user and did some

LATEST WORK EXPERIENCE

[UPayments "REMOTE" \(Full Time \)](#) →

Sr. UX/UI DESIGNER AND TEAM LEADER. Feb 2023 - Nov 2023

My responsibilities include designing and implementing robust design systems for all our products. This encompasses creating user-friendly interfaces for dashboards, mobile applications, and other digital resources, ensuring seamless user experiences and functionality across all our platforms.

[Lamsa Education-Tech Company "Dubai" \(Full Time \)](#)

Sr. UX/UI Product Designer Nov 2021 - JAN 2023

As the UX/UI product designer, I lead the design and development of our app and website for the educational learning company, enhancing usability and user experience. I handle the design process end-to-end, including user research, prototyping, testing, and team collaboration, with an emphasis on refining our products and optimizing our user's learning experience.

[Imtilak multi-company Group "istanbul" \(Full Time \)](#)

Sr. UX/UI Designer Aug 2020 - Aug 2021

- I am responsible for the group's about 12 websites, some of it B2C and some of B2B.
- I'm The only in the company working as UX UI Designer, so i'm working on the whole process about UX studies and UI visual designs and testing.
